S.N. 13. Letter No. 2930/32, dated the 20th April, 1932, from the President, Municipal Commission, Civil and Military ------ Station, Bangalore.

---

14 The President, Municipal Commission, has forwarded a copy of a note No. 91, dated the 19th March, 1932, from the ------- Municipal Auditor, regarding the grant of Civil Works -------- allowance to the Municipal Executive Engineer, with the request that specific sanction of the Hon'ble the Resident may be obtained for the continuance of this allowance from the 1st April, 1931, to the 31st March, 1932, as also the staff ------ employed for carrying on the Civil Works during that period. He also requests that the allowance should also be treated as Special Pay.

15 The Municipal Commission maintain the following Civil Works Establishment from the supervision charges recovered from Government:-

Civil Works.	Budget for 1932-33. Rs.
Allowance to Executive Engineer (250) ...	4,125
Supervisor ... (100-125)	1,300
Motor Cycle allowance ...(30)... ...	360
Sub-Overseer ...(75)	900
Cycle Allowance (5)	60
Allowance to Head Clerk (10)	120
" to Store Keeper ...(10) ...	120
Clerk (50)	600
Tracer (45)	540
Peons 2(15)	360
Add:- 1/3 rd of Assistant Engineer's pay ...	1713
½ of Head Draftsman's Pay	600
10798	

16 Under Section 19(1) of the Bangalore Municipal Law 1897, the Resident may appoint from time to time such officers

officers of the Commission as he may think necessary for the due performance of the various duties assigned to it and may at his pleasure suspend or remove them.

Such officers shall receive out of the Municipal Fund such allowances as the Resident, after consulting the Commission may fix.

Provided that there shall always be a Medical Officer, an Engineer and a Secretary among the officers of the Commission; and that no other salaried officer shall be created by the --- Resident without the consent of the Commission.

17 From the above it is clear that the sanction of the Resident is necessary to the continuance of civil works allowance to the Municipal Executive Engineer. The sanction of the ------- Commission is necessary in the case of other Civil Works ---- establishment. Post facto sanction may therefore be ------- accorded to the continuance of the allowance of Rs. 250 from the 1st April, 1931 to the 31st March, 1932 to the Municipal Executive Engineer. The Commission may be asked to sanction the continuance of the civil works establishment during --- 1931-32.

18 The Municipal Executive Engineer was given an allowance of Rs. 250 for the additional work and responsibility -------- involved in carrying out Government Civil Works. This ------ allowance is therefore special pay within the meaning of Rule 9(25) (b) of Fundamental Rules. Special pay is included in pay under Rule 9(21) (a) (ii) and average pay means the average monthly pay of the previous twelve --- months. Therefore the allowance of Rs. 250/- must be included in the average pay or ½ average pay which Mr. Murphy would draw when on leave.

19 Please see Memo. No. 5(2)-A., dated the 22nd October, 1927, in which the Government of India were pleased to sanction the continuance for a further period of five years with effect from the 1st October, 1927 of the control of all civil works, with the exception of Ecclesiastical

Works,

Works, in the Civil and Military Station, Bangalore, as wel as the Residency buildings by the Public Works Department of the Bangalore Municipality. It appears therefore that th allowance should be considered as a temporary allowance and continued only upto 30th September, 1932 i.e. the date on which the sanction of the Government of India expires.

20 The receipts from Civil Works for the year 1932-33 are estimated at Rs. 8,000/-. This will not be sufficient to meet the cost of the existing establishment. (vide Rs. 10798) The Commission should therefore submit proposals for the continuance of the ------- establishment on a reduced scale.

Page 9 of the Municipal budget Reign (M) & Reign (N)

21 Draft reply to the President, Municipal Commission, is submitted for approval. Before the issue of the draft the file may be sent U.O. to the Financial Adviser to the ------ Hon'ble the Resident for favour of remarks.

Sir,

Application of Special Leave rules to Mr. Murphy, Executive Engineer, Civil and Military Station, Bangalore.

With reference to your Endt.No.6421/439-31 dated 4-9-1931 I have the honour to inform you that from the facts furnished therein it is not possible to say that Mr. Murphy's domicile, for the purposes of leave rules, may be deemed to be Non-Asiatic in the following circumstances:--

Mr. Murphy's father was born educated, employed, retired and died in India. This raises a presumption whether he should now be deemed to have lost his legal domicile presuming it was Non-Asiatic. Legal opinion seems therefore necessary to find out whether he retained his legal Non-Asiatic domicile at the time of Mr. Murphy's birth. If he retained the same, then Murphy's legal domicile may be taken to be Non-Asiatic. If the legal opinion is favourable, a further condition to be fulfilled before the application of the special leave rules to him would be that he should not have changed his legal domicile at the time of his appointment to the service under the Municipal

P.T.O

Commission in his 32nd year.

Dear Sir,

With reference to your letter No 2228/31 A.7/12/31
I have to inform you that I raised the question of my domicile in order to obtain leave on full pay for 8 months. On my first finding that under ordering leave such I can leave on full pay for another 4 months during my stay in England, the domicile question may be taken up later on. I intend sailing for England from Colombo on 6th April 1932 and there will be no objection to my drawing full pay for from the date 4 months or until my return to India, under F.R. 81 and instructions. I expect to return to India after 8th August (1932) as then I will be on full pay 4 months only. If I should return earlier I shall inform you of the same.

To

The Secretary to the Hon'ble the Resident in Mysore,
BANGALORE.

SIR,

I have the honour to enclose a copy of Endorsement No.91, dated the 19th March 1932, from the Municipal Auditor regarding the grant of Civil works allowance to Mr. Murphy, Executive Engineer of this Municipality and to request the specific sanction of the Hon'ble the Resident for the continuation of this allowance for the period from the 1st April 1932 to the 3rd March 1932, as also the staff employed for carrying on the Civil works during that period. Sanction is also requested to treat the Civil works allowance paid to Mr. Murphy as "Special Pay", so as to enable him to draw it during his leave period. As a matter of fact, Mr. Murphy is drawing it during his leave period along with the Special works allowance, in accordance with the sanction contained in your letters Nos. 5737/235-1912, dated the 5th December 1924 and 5502/235-1912, dated the 26th June 1926.

S.N.96 235/12 (Q)
S.N.2 45/27
S.N.18 98/27
S.N.2 81-30

2. In this connection, I may invite a reference to your letters Nos.4857/95-1927, dated the 29th May 1927, No. 1579/95-1927, dated the 6th June 1929 and 3158/81-1930, dated the 11th April 1930, in which sanction was accorded to the continuance of the Civil works staff and allowances up the end of 1930-31. No specific sanction was obtained for the continuance of the staff and allowances during 1931-32 and the current year, and hence the necessity for this reference.

I have the honour to be,
SIR,
Your most obedient servant,

PRESIDENT, M.

OFFICE OF THE RESIDENT IN MYSORE.

Regd. No. 3747
File No. 435/31

Copy of note No.91, dated the 19th March 1932 from the Municipal Auditor, C. & M. Station, Bangalore.

---

1. The Resident's sanction is required for the grant of the allowance under section 19 (1) of the Bangalore Municipal Law. This was obtained year after year until the end of 1930 - 31.

Provision in the Budget for an item requiring special sanction under a rule does not do away with the necessity for such sanction. The provision merely anticipates the required sanction.

For 1931-32 and 1932-33 (to end of the present period of agreement), Resident's sanction may, therefore, be kindly obtained to the Civil works allowance of Rs.250/- paid to the Executive Engineer.

2. Even in the sanctions of the previous years, it is not stated that the allowance should be treated as "Special Pay" as defined in Fundamental Rule 9 (25). If it is the intention to have the allowance treated as "Special Pay" and to allow it to count for leave and pension, the Resident's sanction should definitely state so.

AUDITOR.
